## Essay Submissions Guidelines

'Essays' are, quite simply, an opportunity to explore a subject at greater length. They might be an 'essay' like at school but can also include letters, reviews or any other long-form writing.

Note to a past lover, a letter to humanity, a thank you to a teacher who changed your life, a message to your MP, an analysis of a recent movie,  
an on your philosophical standpoint on feminism.

We are a blank canvas for you to share your thoughts on anything and with anyone.

### Submission requirements:

- Give us a few lines to explain the context of why and when you have written it.
- Any images that illustrate the content.
- Send us your name, if you want it to appear alongside the piece.
- Word count: between 1000-5000, please.
- Submissions to [submissions@motherofalllists.com](mailto:submissions@motherofalllists.com)
- Please put 'ESSAY' in the subject line.
