

The Mother Of All Lists

Resource Pack Guidelines

We all love the idea of doing things or getting things in order. There's nothing better than a guide that is actionable, unlike the instructions from IKEA which are practically undecipherable. We came up with resource packs to help us all get stuff done. Now, our brains are big but we'd love to have your input, there are few things more powerful than the hive mind.

Here's some examples: 'Going on Your First Hike', 'How to Spot Burn Out', 'Packing Your Bag For Labour' or 'Organising A Will'

What do we want from you? Any of the following:

- A step-by-step guide to something, anything.
- Lists of must-have items.
- Recommended resources: websites, books etc
- Idea of costs and time frame if appropriate.
- Anything that should be avoided?
- The suggested first step and what to expect.
- One key takeaway message/piece of advice.
- Details about you/your organization if appropriate.

Submission requirements:

- Dump it all in a word doc or email.
- Don't worry about art direction.
- Submissions to submissions@motherofalllists.com
- Please put 'RESOURCE' in the subject line.
