

The Mother Of All Lists

Stories Submission Guidelines

For those who have been part of the MOAL community since back in the day - this is where the original 'Lists' now live, as Stories. For everyone else, Stories are firsthand accounts of a moment or aspect of your life.

Begin by briefly introducing yourself, then set the scene, from there dive in and tell your story, often chronologically works better. Talk about the practical side, the emotional side, and as well as the seemingly mundane details: we all like to hear the gritty details.

Write as if the reader is your friend (or even a younger version of yourself) and you are chatting to them; emotional, frank, funny, or heartfelt - all welcome.

Wondering how to wrap up? Talk about where are you now, and what your experience/story has taught you. Lastly, any big life lessons that have stayed with you.

Submission requirements:

- Minimum word count is 1500 words and not over 2500, please.
- Written in 'bullet point' or lists style: with short sentences rather than paragraphs.
- 3 photos to accompany it.
- Suggested Title.
- How would you like your name to appear? Or would you prefer to be anonymous?
- Any accounts you would like linked to it: Instagram? A website?
- Please put 'STORY' in the subject line.
